WE ARE HUMANITARIAN FOLLOWING  
IN THE FOOTSTEPS OF CHRIST

# ANNUAL REPORT 2023

# GLOBAL HUMANITARIAN MISSION

Is a 501(c)3 organization comprised of compassionate, committed professionals with over thirty years' experience working in international relief and development around the globe. Come join us on our journey as we work with global partners who are dedicated to serve those existing in extreme poverty, implementing impactful sustainable solutions, and to engage in relief & recovery efforts in response to disasters & humanitarian crises. We will find a way to respond to every situation, looking for a way to solve problems, provide resolutions to get it done.

## PROGRAMS

- Providing water, sanitation and hygiene (WASH) programs where needed.
- Building schools that promote strong, resilient futures with the use of technology in the world's most vulnerable communities.
- Working with children's homes to ensure quality education to improve future livelihoods.
- Providing food and basic necessities.
- Building homes to provide housing for God's poorest of the poor.
- Supporting the growth of women-owned businesses to increase their economic empowerment.
- Working with organizations to end sex trafficking and forced child labor.

## OUR PILLARS OF PROSPERITY AT WORK!

You are crucial to the success of those we serve; Those who have no voice, and who are underserved; Those who are invisible and forgotten.

1. Economic Empowerment
2. Sustainability and Impact
3. Community & Spiritual Engagement
4. Transparency & Integrity

Global Humanitarian Mission aims to do more than provide housing, food, water wells, medical clinics and healthcare, schools, and education programs for the disenfranchised.

Our mission is to help families break their cycle of hopelessness by creating sustainable development goals for success. And this is achieved through Economic Empowerment, Physical Comfort, Social Integration, and Spiritual Security.

We are only able to accomplish all of this because of **YOU!**

You are integral to the success of those we serve - Those who have no voice, and who are underserved. Those in most cases who are invisible and forgotten.

## OUR MISSION

Our mission is to provide food and basic essentials for those in need. Most importantly, we walk alongside children and families, creating opportunities for life-altering sustainable skills that will transform their lives.

## OUR VISION

GHM's vision is to bring the Love of Christ and a Mission of Mercy to the desperate poor. With the guidance of the Lord and your support, we will be a beacon of light and hope to the destitute.

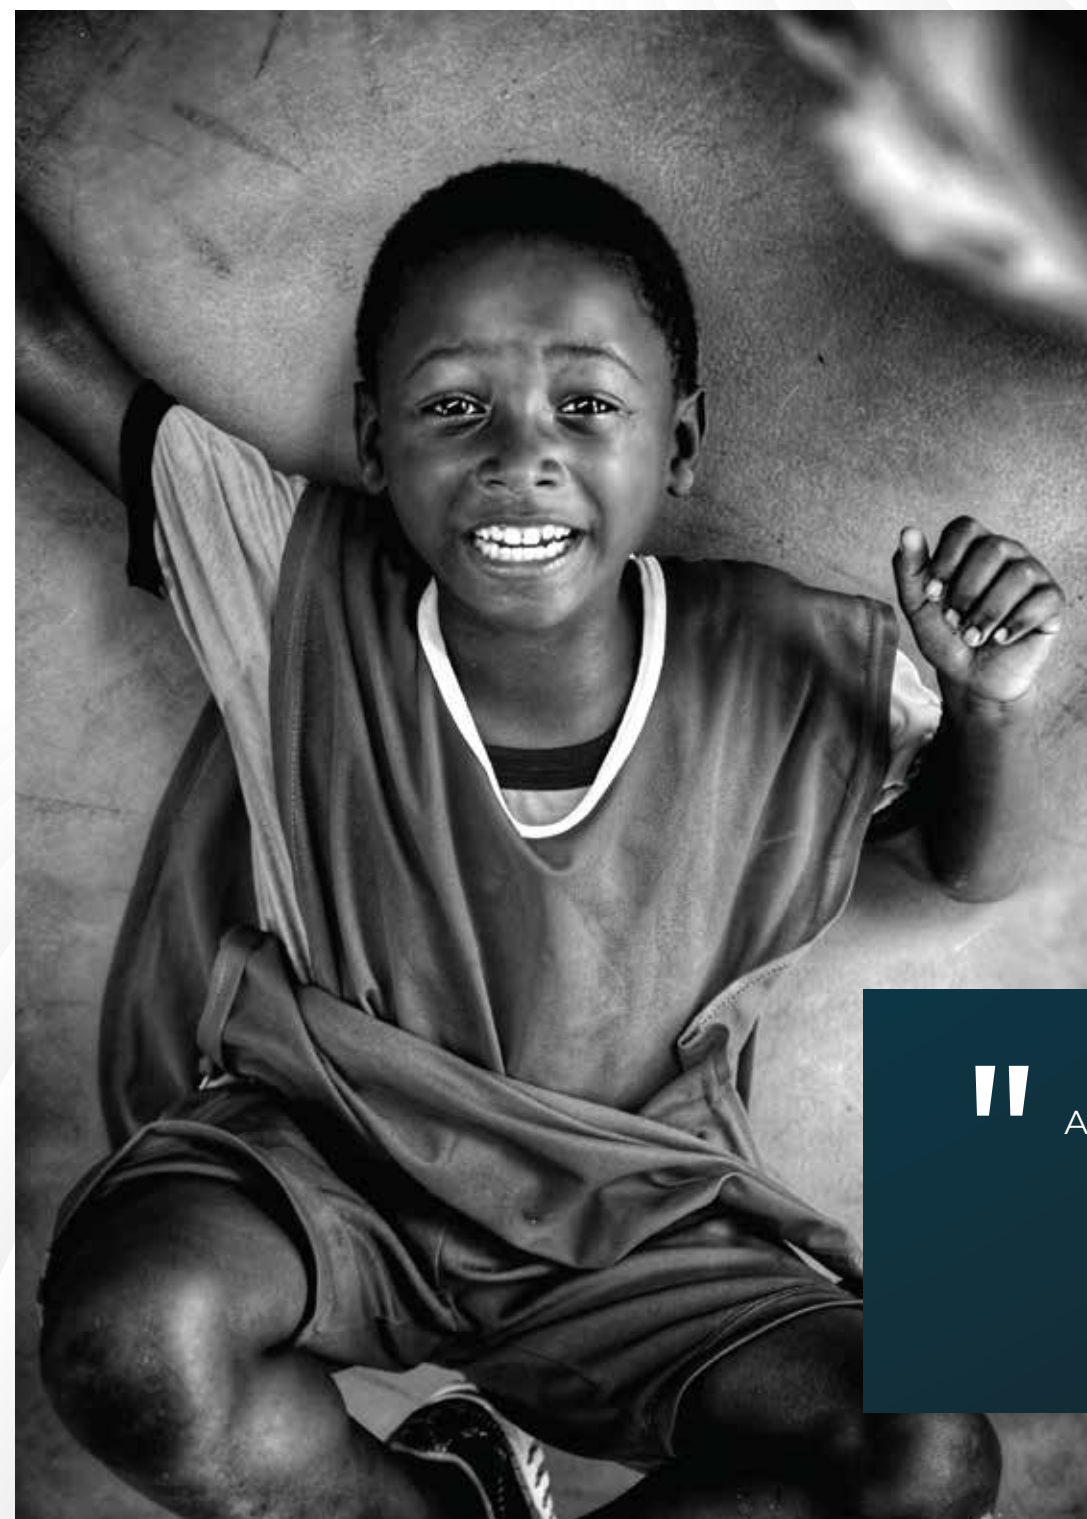

Together we will continue to shine our light into the darkness of those in extreme need!

# MESSAGE FROM CO-FOUNDERS

I'm grateful for your unwavering support these past two years. Your partnership has been instrumental in our journey as a Christian Non-Profit. Thanks to your generosity, we've expanded our reach to over 20 countries, impacting countless lives. Your donations have enabled remarkable achievements, such as rebuilding an entire community in Las Quebradas, Honduras, providing 75 families a home, schools, and vital infrastructure after two devastating hurricanes. In Ghana and Honduras, your support facilitated the provision of 14 water wells, significantly improving community health and fostering economic opportunities. Additionally, your contributions have empowered women, protected children from trafficking, and supported initiatives like the construction of a seminary in Nigeria and the expansion of Trinity Christian TV in Trinidad. I'm thrilled to share that our commitment to transparency has earned us both a four-star rating from Charity Navigator and GuideStar's Platinum Award. This recognition speaks to your profound impact and our unwavering dedication to integrity and accountability. Thank you for embodying Christ's compassion through your generosity. Your kindness is truly making a difference in the world, bringing hope and transformation to communities far and wide.

*Jayne Cunningham*

It's hard to imagine that Global Humanitarian Mission is ending its second year, and with that like a benediction, a Four-Star Rating from Charity Navigator and the prestigious Guide Star's Platinum Award – awarded for the highest standards of integrity, transparency and accountability. And I remain truly humbled. For it is Only God!

Two years ago, we embarked on this journey of humanitarianism - but with a twist. Armed with prayer and led by the grace of our Creator, we determined to be His light as we build better futures for those in need. And, Oh! How the Lord has worked through us! This past year, as I traveled throughout the United States and made connections and reconnected with you, it became clear to me that together we really are living out scripture. For with diverse spiritual and ethnic backgrounds, we all come together to make a difference in this world. Bound together by our love for the Lord, we are breaking down the walls of division as we serve His people (Ephesians 2:14).

To be sure, GHM could not have accomplished all that we did without you and without our in-country partners. From providing water wells in remote African villages, to building houses for destitute families in Honduras and Nicaragua, together we have been able to make a difference. From Nigeria where we built a seminary, to a Christian TV station in Trinidad, together we made sure to spread the Good News. In Kenya, you provided a home for children living in the streets, while in Colombia, you ensured that children were spared from the evil snare of human trafficking.

In closing, I say a heartfelt thank you! For your steadfast support and unwavering trust in Global Humanitarian Mission! But most of all for your love for the Lord that enables you to love His people. My prayer is that together with our in-country partners, and with our team, His light will continue to burn through each of us as together in partnership, we make this world a better place for the destitute.

## Breaking The Chains

The international labour organization (ILO) estimates that there are over 40 million victims of modern-day slavery worldwide, including forced labor and human trafficking. The global slavery index reports that nearly 4.8 million people are victims of forced sexual exploitation.

Women and girls make up the majority of sex-trafficking victims, with many forced into prostitution or other forms of sexual exploitation.

## 4KIDS

A single mom, who raised 5 biological children, is now caring for four children living with severe disabilities, including 11-year-old child, whom she has adopted.

Her greatest challenge was transporting the children to various facilities. Only by pure grace was she able to undertake exhausting rituals of transporting the children with severe disabilities in and out of her old vehicle. The challenges were time consuming up to 20 to 30 minutes to secure the children in the vehicle. But not anymore!
